AB

SPHR and SHRM-SCP certified People Operations leader who has processed and audited multi-state payroll herself, owned the HRIS behind it, and built the reporting, performance and compensation processes that keep a growing workforce accurate, compliant and well supported. I led HR and payroll for a **1,000+ employee multi-state solar company**, supervised payroll specialists, supported a 360+ person team in India, and worked with PEO and Employer of Record partners. I have worked within SOX controls and GDPR and CCPA privacy rules, and I am equally comfortable auditing a payroll register, building a headcount report for executives and running a review cycle.

EXPERIENCE

CHIEF OPERATING OFFICER · HR & PAYROLL OWNER

JAN 2020 – PRESENT

The Wave International · Clearwater, FL · 10-location, multi-state healthcare organization · HR and payroll report to me

- Own US multi-state payroll end to end for salaried and hourly staff: review and approve every run and audit hours, overtime, deductions, taxes and off-cycle payments before they reach employees.
- Prepare payroll journal entries and reconcile the general ledger each cycle; partner with Finance on labor cost reporting, benefit invoices and controls.
- Administer the HR, payroll and finance systems, owning data integrity, permissions, workflows and migrations, including the Sage and QuickBooks Enterprise rollouts.
- Produce headcount, hiring, vacancy, turnover, compensation and capacity reporting for the CEO and leadership.
- Built the performance management process, from goals and reviews to documentation and corrective action, and coach managers to run it consistently.
- Designed job architecture and pay structures using internal equity, market data and affordability; administer benefits, open enrollment and leave.
- Maintain multi-state wage and hour, classification and personnel-record compliance with audit-ready documentation.
