◆ EXECUTIVE PROFILE

I'm an HR leader with 20+ years running **HR, payroll and benefits** for multi-site, high-volume workforces, and I'm ready to bring that discipline to Restaurant HR Group's clients. At Synergy Medical Centers I launched **20 locations**, cut turnover **~15%** and earned a Best Place to Work in Cobb County award. Employee relations, multi-state compliance, benefits and leadership development have been part of every role I've held, from a three-shift union plant to the C-suite. I'm self-driven, hold a high bar and move with urgency. I'm based in Florida, work well remotely and am eager to learn the restaurant world from the inside.
